Neighborhood Safety

WHEN TO USE 9-1-1

9-1-1 should be reserved for emergencies to keep the lines available. Here is a list of examples of times to use Emergency 9-1-1:

- a person's safety is in immediate peril
- a crime is in progress
- a fight is occurring with a gun, knife or other weapon
- serious injury needing immediate response
- armed robbery
- a traffic accident with injuries has occurred
- any threat where immediate response is required; when you cannot be placed on hold.

WHAT TO SAY

Some things that you are going to have to tell a dispatcher when you call either 9-1-1 or the non-emergency number:

- location
- name
- nature of emergency/call
- if weapons are involved
- accurate description of suspect or vehicle (including color, make, license # if known)
- direction of travel
- Remember; never hang up until the dispatcher tells you.

WHEN TO USE THE NON-EMERGENCY NUMBER

The Roseville Police Department non-emergency dispatch number is (916) 774-5000. This number should be used to report incidents that have already occurred or when no immediate danger is present and suspects are long gone. Here is a list of common examples of when to call the non-emergency number:

- suspicious activity where suspects have vacated
- crime that has already occurred, Police Department report needed
- traffic accident with no injuries, or traffic hazard
- to contact a specific officer

SUSPICIOUS VEHICLES

Vehicles can be considered suspicious if they are:

- slow moving with headlights turned off
- following a course that appears to be aimless or repetitive especially if occurring around a school, park or playground
- parked cars containing one or more persons, especially at an unusual hour
- abandoned vehicles containing weapons
- property in vehicles - especially suspicious when the property includes items not normally found in vehicles.

CAN YOU REPORT ANONYMOUSLY?

Yes! When reporting a crime or suspicious activity, tell the dispatcher that you wish to remain anonymous, if you feel the need. Ask that the officer not come to your door, but call you if they require further information.

SCNA's First Annual Neighborhood Garage Sale Saturday, Sept 26th, 8am – 1pm

SCNA is organizing a neighborhood garage sale. Many residents are familiar with Maidu Neighborhood Association's successful event held each year. We look to expand their success into our own event. More details and sign-ups to follow in future editions of our SCNA newsletter. Just keep in mind that come September, you could pop open the garage, sell those items, help your neighborhood in the process and make a little extra spending \$\$\$\$ before the holidays.

Crestmont Park Turf Conversion

Roseville is looking to save water by converting some landscape areas from non-functional turf to drought friendly landscapes. You will soon see signs in conversion areas at Crestmont Park and Roseville's corporation yard. Portions around the park's edge and walking path have been identified for conversion. Look for these projects to get started in the coming months. No play fields or primary recreational areas will be affected or converted. Other parks and city buildings will also undergo similar water saving conversions in the future.

Neighborhood Association Elections - Coming in June

Your South Cirby Neighborhood Association Board requires a minimum of five (5) volunteers to retain "Active Neighborhood Association" status within RCONA. RCONA provides the insurance for our events, can help with partial funding, and use of city and park facilities. One representative from our board must attend monthly RCONA meetings, but people find them very informative and it's a great place to share and learn from other NAs.

You may submit names to the Nominations Committee through **April 17th**. All you need to do is email us at info@SCNA.RCONA.com with the name, residence address, email address, phone number, position desired, and a simple paragraph background biography.

If you are submitting someone else's name, please confirm with them their willingness to serve prior to nominating them. The Slate of Candidates will be posted on our website, SCNA.RCONA.Com, by May 9th for our elections on June 9th and will remain posted until after the elections.
