South Cirby Board Member Elections

Your South Cirby Neighborhood Association (SCNA) Board requires a minimum of five (5) volunteers to retain "Active Neighborhood Association" status within RCONA. RCONA provides the insurance for our events, can help with partial funding, and use of city and park facilities. One representative from our board must attend monthly RCONA meetings, but people find them very informative and it's a great place to share and learn from other NAs. Learn more about the candidates by visiting our website, SCNA.RCONA.com, and clicking the "Slate of Candidates" tab at the top of our home page.

Vacation Crime Prevention Tips

During the spring and summer months, many people spend more time outdoors working on projects, hosting barbecues, or relaxing by the pool. Criminals don't take summer vacation. Here are a few crime prevention tips to keep in mind:

- **Lock and close your windows at night.** It is very tempting to leave those windows open and let the cool air in. If you do so, make sure to use safety locks that prevent the window from being open more than a few inches.
- **Keep your garage door closed.** People often go outside to do yard work and fail to close their garage door. Criminals may steal items from the garage itself, or use it to access your home. Once inside the criminal can grab an armful of items and run off without ever being noticed.
- **Be wary of home-improvement scams.** Some criminals work together during the summer months. One will come to your door and distract you, while the other sneaks into your garage, backyard, or home to take whatever they can grab. Be wary of anyone who approaches your front door and don't let them take up too much of your time. Every year thousands of burglaries occur all over the United States. Teach your family how to guard themselves and their property. The goal of crime prevention is to reduce the risk of being a victim. Therefore, it is important to remove opportunities for a criminal to take advantage of you and your property.

Vacation House Check

If you are heading out for a vacation this summer, don't forget to request a free "Vacation House Check" before you leave. To submit a request, go to police website and search "**Vacation House Check**" or call (916) 746-1052 for more information.

Safety Tips to Prevent Car Break-Ins

When you and your family get into the car and head out to a fun-filled day, always keep in mind that criminals may also be sharing the day with you.

Criminals are always looking for an easy target. Practice these safety tips:

- **Conceal all your valuables.** Don't leave any bait out for the thieves, stow your electronics and accessories well out of sight or bring them with you.
- **Lock your doors.** Up to a quarter of thefts from vehicles are from unlocked cars.
- **Stash before-not after-you park.** Put shopping bags in the trunk right when you return to the vehicle, rather than after you park at the next place. Don't show thieves what you have.
- **Park for visibility.** Park in a busy, well lit area, and avoid concealment from larger vehicles, fences, or foliage.
- **Be prepared.** Never leave your vehicle unattended with the engine running. Avoid overloading yourself with packages.
