Reports/Old Business

Roseville Police Officer Neighborhood Report: Officer Maldonado reported a decrease in the number of sheltered and unsheltered homeless individuals within the City of Roseville. Social Services has had success with the reunification of the homeless with their families and with assisting the homeless in obtaining services in the appropriate jurisdiction.

Roseville Fire Neighborhood Report: No report.

Crestmont Park Refresh: Brian provided information on the upcoming park refresh event scheduled for June 17th. City employees and neighbors will be spreading fresh mulch throughout the park and planting new shrubs. Brian also provided an update regarding the park sign and new picnic tables and benches. Brian fielded questions and concerns about the general maintenance of the pavilion at the center of the park, particularly the recurrence of the growth of algae on heavily shaded walls.

RCONA/City of Roseville Spring Cleanup: Aspects of the event were discussed. Several SCNA board members volunteered and reported some problems with communication among volunteers and between city employees and volunteers. Despite these issues, the consensus was that the event was successful.
