Meet your neighbors and our guest speakers at this meeting. Their presentation topics will include: best trees to plant, trees not to plant, care of fruit trees, and diseases to watch for. Questions or comments are welcome. We'll be updating you on our Crestmont Park project. Roseville Police and Fire will provide a neighborhood update unless they are on a call for service.

Here's Your Chance to Run for the SCNA Board

Roseville Coalition of Neighborhood Associations (RCONA) requires a minimum of four (4) board volunteers to retain "Active Neighborhood Association" status. RCONA provides the insurance for our events, can help with partial funding, and use of City and park facilities. One representative or alternate representative from your board attends RCONA meetings which are informative and a great opportunity to share and learn from other neighborhood associations. Descriptions of typical duties for President, Vice President, Secretary, Treasurer and Member-at-Large are included in the SCNA bylaws. Your current board members can answer any questions you have, including why they chose to get involved.

You may submit names to the Nominations Committee through September 24th. No nominations can be accepted after the deadline. Email us at southcirbyneighborhoodwatch@gmail.com with the name, residence address, email address and phone number of your nominee along with a simple paragraph background biography. If you are submitting someone else's name, please confirm with them their willingness to serve prior to nominating them.

The Slate of Candidates (names and short biographies only) will be available by September 27th by email request or at the General Meeting and Election on October 10th. All residents are encouraged to review the Slate of Candidates and attend the meeting. Only one vote per developed lot or business will be allowed and the voter must be present (no proxy votes or floor nominations allowed). We look forward to seeing you!

Thanks for Your 2023 SCNA Garage Sale Event Support

There are so many people to thank that we can't individually name them, but here's a general list: participants, shoppers, donors, wood stakes donor and SCNA board members. We appreciate you all!

Did you notice SCNA's renovated A-frames and new signage this year? They were made possible by three supportive businesses. Consider contacting them when you are in need of their products or services. And, let them know you are a member of South Cirby Neighborhood Association.

Home Depot, 324 N Sunrise Avenue, (916) 782-9600 – Provided materials for the renovation

Signs On Time, Inc., 1700 Rocky Ridge Drive, Suite 130, post@signsontime.com – Provided a discount for the signs

Tale'a Viscarra and Stephen Costello from Century 21 (contact information below) – In addition to garage sale packets for participants, map design and printing, they provided a new Community Yard Sale vinyl banner. Throughout the years, this dedicated team has printed our newsletters too. Just a little history note - In 2013, Stephen was instrumental in reactivating our neighborhood association and has continued to be very supportive.
