Reports/Old Business

Roseville Police Officer Neighborhood Report: No report

Roseville Firefighters: No report

National Night Out – Recap of August 1, 2023 Event: At least 94 people attended, including ten police officers, three firefighters, one member of the Roseville City Council, and ten members of the Golden Spikes baseball team. Some people may not have signed the attendance sheet after arriving through a secondary entrance. An inventory of leftover items was sent to committee members by Colleen. Unfortunately, a box of trinkets is missing. Colleen wrote a letter to the Golden Spikes team thanking them for volunteering to help at the event. Each team member will receive a certificate with their community service hours. Committee members stated that the event was successful; Paul stated that he had posted photos on Facebook. The committee discussed problems with the SCNA Facebook site, specifically, that individuals are posting advertisements on the public page. Additionally, Colleen said that she still does not have access to post on the site. The SCNA website still has not been completed.

SCNA Garage Sale – September 16, 2023: Fliers advertising the event have been passed out. Eight people have signed up so far (twenty are needed to hold the event). Ideas are needed for signage that can be posted to direct the public to garage sales. The committee approved \$400.00 for Colleen to purchase signage.

New Business

General Election – October or November: Per bylaws, general elections must be held in October. The date of the election must be announced at least thirty days prior to the election. Fliers will need to be distributed to notify neighbors. The board approved the election to be held in October.

Speed Limit Signs on Oak Ridge Drive: Colleen described a speed limit sign with flashing white lights on it. She will contact the appropriate city department to inquire about installing one on Sheridan Avenue.
